Vision

Celebrate women's soccer as part of our diversified heritage and our culture

Highlight achievements of young women that embrace soccer for personal development

Grow the soccer playing opportunities for young women at the highest caliber in their communities

Objectives

What are we looking to achieve?

- Form a female soccer team at Lakeshore Soccer Club for 2020 La Première ligue de soccer du Québec (PLSQ) season
- Engage like minded corporate sponsors, private donors and suppliers
- Carry out our vision with athletic and financial support from the community

Overview

What's the big picture?

The Lakeshore Soccer Club's (LSC) primary focus is to provide a total, well-rounded and positive soccer experience for the player, coach, referee, and parent.

Established in 1966, the Lakeshore Soccer Club is one of the biggest in all of Canada with over 4,000 members. Our jurisdiction includes Baie d'Urfe, Beaconsfield, Kirkland, Ste-Anne-de-Bellevue and Senneville. The Club is a member of the Lac St-Louis Soccer Association, which is the biggest region in Quebec. Teams from the Lakeshore Soccer Club are represented in the Metropolitan League, the Lac St-Louis Youth Soccer League, the La ligue de soccer élite du Québec (LSEQ) as well as its very own House League divisions.

While LSC offers the choice of playing at various categories, starting with recreational, competitive and elite, it does not currently provide a platform for U17 players or older to compete at a semi-professional level. Lakeshore SC players are honorably representing their club, province and at times, their country in all the competitions in which they partake. LSC elite female teams have consistently performed as finalist or champions in the LSEQ in

recent years, as well, have been contenders and/or finalists in the Canadian National Championships tournament held in a different a province every year.

Today, LSC is one of the top contributing clubs of players into the female Première ligue de soccer du Québec (PLSQ). Esteemed female soccer players as early as U16, whether or not they come from LSC, have to seek playing opportunities in other clubs in order to compete at the highest class within their province. Many players instead opt to leave home to play in top collegiate or pro leagues in the US as well as other countries in order to live their dreams. By the same token, players that remain active in the national team/programs as well as graduating university students returning home are turning to other clubs to continue to fulfill their passion.

Lakeshore Soccer Club would like to pursue its drive towards excellence by instating a women's team in the PLSQ for the 2020 season to give current and future generations of soccer players more playing opportunities in their community.

FAMILY SPONSORSHIP

Dear Lakeshore Soccer Club Member,

To celebrate the incredible achievements of female soccer teams in recent years, Lakeshore Soccer Club is looking to form a female soccer team for 2020 season in the semi-pro division (PLSQ).

We are looking for engaged and like-minded families and private donors to participate. This is your chance to be part of something amazing! Your donation will allow us to continue to create the story. As our teams rise higher and higher in the provincial and national ranks!

Do not worry, you will have no responsibility, risk or liability. Just satisfaction and pure enjoyment. We'll keep you updated through our newsletter and social networks. Each annual donation includes:

- To take part of the opening ceremony match
- Be part of the official donor's list published
- Receive an official Lakeshore Semi-pro team certificate

To make your donation or for more information, please contact Rachel Naimi at: rnaimi@hotmail.com, +1 (514) 515-4269
Take part in a soccer and cultural revolution!
